

Electrical Safety Recall

Olsent 4 Outlet Powerboard Single pack and 2 pack (Model No. LA025B)

Recalled power
board LA025B

Identification: The Olsent 4 outlet Powerboard is sold nationwide through Masters Home Improvement Australia Pty Ltd. Only the 4 outlet Powerboard units marked with the numbers **SAA111929EA LA025B**, are being recalled. This product has been sold as a single item, as a two pack and is white in colour. The model number LA025B and the electrical approval number SAA111929EA are located on the bottom of the powerboard

Defect: The electrical contacts of the sockets are poorly aligned and the plastic enclosure does not meet the flammability requirements of the applicable standard.

Hazard: There is a risk of overheating and fire.

Where sold: This product was sold in Masters Home Improvement stores across Australia from September 2011 to September 2014

Action required: Consumers should stop using the LA025B powerboard and return it to their nearest Masters Home Improvement store to receive a full refund.

Masters Home Improvement apologises for any inconvenience caused. If further information is required customers are invited to call:
